

ABSOLUTE-IP-R 5

Features

Displaying our ABSOLUTE-IP-R 5, featuring a lumen output of 3670lm to 4422lm. Available in standard color temperatures of 2700K, 3000K, and 4000K, with additional options on request. This versatile product offers various beam angles ranging from 15° to 35°, making it ideal for refined exteriors. With an IP65 rating, it provides suitable protection for indoor environments. Additionally, we provide customized finishing options to meet the project specific requirements.

Dimming options

For dimmable version add the following suffix to the Part number → -1V: 1-10V, -DA: DALI, -PU: Push, -TR: Triac.

Applications

ABSOLUTE-IP-R are premium outdoor recessed downlights combining elegance, versatility, and durability. With adjustable rotations, they deliver both striking accent lighting and soft ambient effects. Ideal for luxury hotels, refined exteriors, entrances, and outdoor stairways, their sleek designs enhance high-end environments. Built with IP65 ratings for outdoor reliability, ABSOLUTE-IP-R merge style, performance, and protection, making them the perfect lighting solutions for sophisticated architectural spaces.
