

M-HEAD 1

Light output: up to 2198lm Standard finishing: ● ○

Features

Introducing our M-HEAD 1, featuring a lumen output of 1760lm to 2198lm. Available in static white and tunable white, with additional options on request. This versatile product offers a unique movable axis feature, making it a premium choice for adaptive settings in high-ceilinged areas, with available beam angles ranging from 15° to 40°. With an IP20 rating, it provides suitable protection for indoor environments. Additionally, we provide customized finishing options to meet the project specific requirements.

Dimming options

For DALI dimmable version add the following suffix to the Part number → -DA: DALI.

Applications

M-HEAD motorized high-performance projectors are the premier choices for art galleries and luxury boutiques, delivering precise, dynamic lighting that highlights every detail with exceptional clarity. Equipped with advanced motorized tilts and pans, they offer effortless, remote adjustments for perfect illumination of artworks and displays. Supported by comprehensive accessory ranges, the systems ensure unmatched flexibility, seamless installations, and consistent performances, ideal for sophisticated environments demanding elegance, adaptability, and precision lighting control.
