

# ABSOLUTE-RCS 4

## Features

Introducing our ABSOLUTE-RCS 4, featuring a lumen output of 2877lm to 3466lm. Available in standard color temperatures of 2700K, 3000K, and 4000K, with additional options on request. This versatile product offers various beam angles ranging from 15° to 35°, making it ideal for high-end solution. With an IP20 rating, it provides suitable protection for indoor environments. Additionally, we provide customized finishing options to meet the project specific requirements.

## Dimming options

For dimmable version add the following suffix to the Part number → -1V: 1-10V, -DA: DALI, -PU: Push, -TR: Triac.

## Applications

ABSOLUTE-RCS ceiling-mounted downlights are crafted for seamless integration with gypsum ceiling boards, delivering sleek and modern lighting solutions. Perfect for luxury hotels, suites, and upscale interiors, they enhance every space with sophisticated style. These downlights provide both functionality and elegance, transforming environments with their precision lighting. Ideal for illuminating hotel lobbies, high-end suites, and residential spaces, ABSOLUTE-RCS ensure every corner is beautifully lit, creating an atmosphere of refined luxury and timeless design.
