

# ABSOLUTE-SQ 5

## Features

Presenting our ABSOLUTE-SQ 5, featuring a lumen output of 3670lm to 4422lm. Available in standard color temperatures of 2700K, 3000K, and 4000K, with additional options on request. This versatile product offers various beam angles ranging from 15° to 35°, making it ideal for remarkable interiors. With an IP20 rating, it provides suitable protection for indoor environments. Additionally, we provide customized finishing options to meet the project specific requirements.

## Dimming options

For dimmable version add the following suffix to the Part number → -1V: 1-10V, -DA: DALI, -PU: Push, -TR: Triac.

## Applications

ABSOLUTE-SQ premium recessed downlights are designed to bring elegance and versatility to high-end spaces. With their adjustable rotation features, they allow you to create both dramatic accent lighting and soft, diffuse illumination. Perfect for luxury hotels, upscale suites, and refined interiors, these downlights add sophistication to any environment. Their sleek designs enhance the atmosphere in spaces such as hotel entrances, stairways, and other premium settings, ensuring every corner is beautifully lit. Combining exceptional quality with functionality, ABSOLUTE-SQ elevates any space.
