Dimming options

For dimmable version add the following suffix to the Part number → -1V: 1-10V, -DA: DALI, -PU: Push, -TR: Triac.

Applications

BEAM-ASX are innovative wall-washer downlights designed to enhance a variety of environments. Their versatility makes them perfect for settings ranging from vibrant retail shops that require eye-catching displays to quiet libraries where a warm and inviting atmosphere is essential. Additionally, BEAM-ASX excel in dynamic exhibition areas, illuminating artworks and installations with precision, while also suiting modern homes where sleek design and background lighting are desired. Whether you aim to create an energetic ambience or a serene retreat, BEAM-ASX adapt to meet your lighting needs, providing aesthetic appeal and functional illumination in any space.
